

# Photo Speed Enforcement Signs Backgrounder

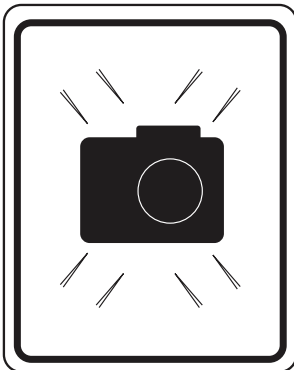

October 2014

## Photo speed enforcement informational sign

These large 1.2m x 3m (4' x 10') yellow signs will be posted to let motorists know they are approaching a location that is photo speed enforced. They will be used at the high-speed locations which include the intersection of Highway 1 and 9th Ave. in Moose Jaw, Highway 1 east between Pilot Butte and White City, Highway 12 at Martensville, Ring Road in Regina and Circle Drive in Saskatoon. These signs will not be used in school zones.

## Photo speed enforcement regulatory signs

These black and white regulatory signs will be posted throughout all photo-speed-enforced locations.
