

Backgrounder

Canada and Saskatchewan support water and wastewater projects

The Government of Canada is investing more than \$17.6 million and the Government of Saskatchewan is providing more than \$16.8 million toward the following 13 infrastructure projects under the New Building Canada Fund – Provincial-Territorial Infrastructure Component – Small Communities Fund (SCF) and National and Regional Projects (NRP) and the Investing in Canada Plan (ICIP).

Twenty communities across the province will benefit from water, waste management or road improvements under these projects.

Project	Location	Description	Fund	Federal contribution	Provincial contribution	Recipient contribution	Total eligible costs
Northern Water System Upgrades	Northern Town of Creighton; Northern Village of Cumberland House; Northern Village of Denare Beach; Northern Village of Green Lake; Northern Village of Île-à-la-Crosse; Northern Hamlet of Michel Village	Upgrading and/or replacing drinking water systems in six communities in Northern Saskatchewan.	NRP	\$3,732,837	\$3,732,837	\$3,732,837	\$11,198,510
Northern Wastewater System Upgrades	Northern Village of Buffalo Narrows; Northern Town of Creighton; Northern Village of Cumberland House; Northern Village of Denare Beach; Northern Village of Île-à-la-Crosse; Northern Hamlet of Timber Bay; Northern Hamlet of Weyakwin	Upgrading and/or replacing wastewater systems in seven communities in Northern Saskatchewan.	NRP	\$4,492,333	\$4,492,333	\$4,492,333	\$13,477,000
Water Treatment Plant Project	Town of Waldheim	Building a new water treatment plant and upgrading the current distribution system.	NRP	\$3,187,854	\$3,187,854	\$3,624,292	\$10,000,000

Sewage Pumping System Upgrades	Town of Langenburg	Construction of a new pump chamber to convert the existing dry well into wet well storage capacity.	SCF	\$439,333	\$439,333	\$439,334	\$1,318,000
Watermain Replacement and Relocation of Dangerous Goods Route	Town of Kerrobert	Replacing the water main on Railway Avenue.	SCF	\$126,500	\$126,500	\$126,500	\$379,500
Lagoon Expansion and Upgrade	Town of Francis	Expanding and upgrading the primary and secondary lagoon cells.	SCF	\$200,200	\$200,200	\$200,200	\$600,600
Sewage Lagoon Project	Rural Municipality of Foam Lake No. 276	Expanding the existing wastewater lagoon capacity to accommodate the resort villages of Churney Beach and Leslie Beach.	SCF	\$493,000	\$493,000	\$493,000	\$1,479,000
Highway 55 Waste Management Corporation	Canwood No. 494	Decommissioning of a landfill cell	ICIP	\$5,000	\$4,166	\$3,334	\$12,500
Landfill Closure and site decommissioning	Town of Duck Lake	Decommission a landfill site with the intent of returning to the land to its natural state.	ICIP	\$110,863	\$92,376	\$73,918	\$277,157
Lagoon Upgrades and expansion	Town of Battleford	Expansion and rehabilitation of an existing wastewater collection system	ICIP	\$2,106,000	\$1,754,825	\$1,404,176	\$5,265,000
Town of Shaunavon Water UV Disinfection	Town of Shaunavon	Installation of UV reactor system in four wells, four new pump buildings, rehabilitation of four wells, and related works.	ICIP	\$410,400	\$341,966	\$273,634	\$1,026,000
Water Treatment Plant Expansion and Upgrades	Town of Drake	Construction of a new back-up well, upgrades to the existing water treatment plant and installation of 25 metres of local water pipes, and associated electrical works.	ICIP	\$214,000	\$178,316	\$142,685	\$535,000
RM of Browning Grid 700 Road Upgrades	R.M. of Browning No. 34	Expansion of approximately 29 km of the road to increase its capacity for all vehicles including farm equipment and heavy haulers	ICIP	\$2,112,000	\$1,759,824	\$1,408,176	\$5,280,000
Total federal, provincial and municipal project contributions				\$17,630,320	\$16,803,530	\$16,414,417	\$50,848,267
